

Introducing: Legacy Vault Powered by My Life and Wishes

Notary Dynamics is proud to introduce the Legacy Vault — an ultra-secure online platform where you can easily organize and store your estate documents, instructions, wishes, logins, passwords, care plans, and more.

If something were to happen to you, would your family know where to find all the important documents?

There's an easy way to keep track of everything and find your important documents with a push of a button

Legacy Vault Powered by MLW Includes:

- Storage and organization of your important information
- Military-grade security (AES 256 encryption)
- Ability to add users (spouse, attorney, etc.)
- Peace of mind for you and your family

Never worry again about:

- Forgotten account numbers
- Login Credentials
- Misplaced or disorganized paperwork
- Losing important documents in natural disaster, like fires or hurricanes
- Leaving a mess for your loved ones when you are gone
